

NORTHAMPTONSHIRE COMMUNITY MESSAGING – DAVENTRY

ISSUED: 01/05/09

This is a message from Northamptonshire West Police to residents living in Rural North of Daventry.

Due to the lighter evenings and warmer days it is good to see an increase of youth activity, which is appropriate and acceptable in the area.

To date, we have had very few complaints of youth groups taking advantage of the good weather. Over the past few months we have implemented a pilot for ASB management that has improved service and Customer satisfaction.

I understand from feedback that there is a concern that there may be a little under reporting to the police. May we take this opportunity to remind our community that there are many ways to reach us should you have any concerns. Such as through our website, the contact numbers featured at the end of this message and directly to the Daventry Rural North Safer Community Team.

Your local Parish Councillors, who are supporting the team with this approach, are also more than willing to pass on any worries that you may have.

Useful information would include descriptions, ages and activity.

Should you see anything suspicious you are asked to call the dedicated NHW number on 01604 432436, alternatively Northamptonshire Police or Crimestoppers on the numbers given below quoting ref WB/CMS/038/09.

Call the Northamptonshire Police switchboard on 08453 700700 or dial 999 in an emergency.

Alternatively you can call Crime Stoppers anonymously on 0800 555 111.
